

PRINT SHOP PRO MANAGER

REPORTS

New **Order Status** report for Store Orders

New **Sales by Account without Subtotals**; this report includes the Form Number and Description

Modified the **Order Job Ticket** to display paper stock detail in same order as input within the order

Modified the **Order Job Ticket** to display the *Staple Position*

Modified the **Sales by Specific Account Number** to include the *Contact Name*

PRINT SHOP PRO WEBDESK

FILE RETRIEVAL WITHIN PSP MANAGER

Corrected issues with viewing web order files from **PSP Manager** when the website has restricted access above the \PSP\ART directory. The file path directory lookup in **PSP MANAGER** will need to be modified to the full path up to \PSP\ART.
